

COREY HOMMEL

CREATIVE DESIGNER

CAREER OBJECTIVES

I am passionate about 3D modeling in my personal, educational, and professional life. I work well within a team or as an individual, and I am seeking a professional role in fields which allow me to apply my 3D modeling skills, such as BIM, 3D scanning, architectural virtualization or virtual asset creation.

TECHNICAL SKILLS

Programs:

- 3D Studio Max
- AutoCAD
- Blender
- FARO's SCENE
